Important information:

Service fee is non-refundable once it is paid online. Applicants who have booked "Others" visa category for the purpose of tourism, visit family and friends or EU and Business purpose, will not be accepted.

Applicants submitting their applications in a period of 59 months prior to the previous appointment are not obligated to record biometrics. However, technical errors may cause the possibility of previously recorded biometrics to be irretrievable. In this case, applicants will be recalled to provide biometric data, which may delay the overall processing period. Hence, applicants are therefore advised, on voluntary basis, to have their biometric recorded, notwithstanding the period of the last travel. Applications should be submitted in person (also babies and children) at Visa Application Centre.

You must bring all documents that are required for your visa applications. If any documents are missing, your visa application will be processed with a delay or might be rejected. Use the checklist that applies to your situation. You can download the checklist per visa category from the <https://visa.vfsglobal.com/one-pager/netherlands/uk/english/>

Please submit all documents as separate sheets (without pins and binders).
